and we get letters...

Dear Wendy,
Hi! My name is Mallory. I am in the third grade, and I am nine years old. I read your comics all the time. I am from Bainbridge Island, Washington. I also have a pool table. I like to collect cats. Do you collect anything?
Your friend, Mallory Mihara
Bainbridge Island, WA

Dear Mallory,
I have two things I like to collect, Mallory, and you just helped one of my collections get bigger! More than anything I like to collect new friends, and every time one of my fans write in, my collection of friends grows! And since my three aunties are always up to mischief, the other thing I like to collect are good spells! By the way, Mallory, we also have a pool table in the Enchanted Forrest! Spooky's very good, but instead of using a stick to hit the balls, he just "Boos" at the balls to make them move!
Your friend, Wendy

Dear Dot,
My name is Nicole Denice Leger. I am seven years old. I wish I could see you in real life. I like your comic books, but I only have one. What are your favorite colors? Mine are pink, purple, red, white and blue. Do you like to read books? I do!
Your friend, Nicole Leger
Elverta, CA

Dear Nicole,
I think every color is pretty, Nicole—as long as it's on a dot! Yesterday I painted different color dots all over the wall! And when you mix the paint from one color dot with the paint from another color dot, you get a new colored dot! A red dot mixed with a blue dot makes a purple dot, a yellow dot mixed with a red dot makes an orange dot, and a yellow dot mixed with a blue dot makes a green dot! I like to read books too, Nicole, especially when the words have lots of dotted "I's"!
Your friend, Dot

Dear Casper and Wendy,
I like your comics. Tell the Ghostly Trio and the Witch Sisters not to be mean. I typed this letter on my Daddy's wordprocessor. My name is Gregory and I am seven years old.
Your friend,
Gregory Simonson
Shamrock, OK

Dear Gregory,
We try to make the Ghostly Trio and the Witch Sisters nicer, Gregory, but it's not easy! This morning Wendy decided to teach them a lesson when she overheard the Ghostly Trio and the Witch Sisters planning to play a trick on a family of elves! She cast a spell so that the Ghostly Trio thought the Witchsisters were the elves, and then she cast another spell so that the Witch Sisters though the Ghostly Trio were the elves! They ended up playing their pranks on each other, and Wendy got to make some new elf friends!
Your friend, Casper

Dear Richie,
I have been a fan of yours for a long time, and I think you are very lucky to have a girlfriend like Gloria. I want to have a girlfriend too, but all the girls I know just want to be my friend. I do very well in school. When I grow up, I want to be a doctor. Then I can be rich like you!
Your friend, Jeff Chung
Burlington, VT

Dear Jeff,
I think I'm very lucky too, Jeff, but I think you are just as lucky! You have lots of friends, and you must be smart to be doing so well in school! And when you become a doctor, Jeff, you'll get to do something extra special! You'll be able to make sick people well, which is something that even all of my money can't do!
Your friend Richie

Dear Harvey,
I am 12 years old and am trying to create a cartoon character.
I want to know how you came up with characters like Richie Rich, Casper and everyone else. I read a lot of your comics. I love cats and kittens very much. My walls are covered with cat and kitten posters. I have cat lamps, ornimants, quilts, sickers and cloths. Believe it or not, my rug has cats on it too! This is why I want to create cat and kitten charcters!
Your friend, Alesha Bazian
Alberta, Canada

Dear Alesha,
Many years ago, some very talented men such as Warren Kremer and Howie Post helped mold Richie, Hot Stuff and the rest of the Harveyland Gang into the characters we all know and love today! Keep reading each month's "Sid Bits," Alesha, to learn more about how all the Harvey characters were created! As far as creating your own character, Alesha, keep your eye on these very pages for exciting writing and drawing contests and for a chance to see your work in a Harvey comic book!
